The Assumption of Mary:

The Assumption of Mary is a significant event in the Catholic Church, celebrated on August 15th each year. This feast commemorates the belief that the Blessed Virgin Mary was taken up body and soul into heaven at the end of her earthly life.

Key Points:

1. Biblical Foundation:

- While the Assumption is not explicitly detailed in the Bible, it is supported by various scriptural passages and has been a long-standing tradition in the Church. Verses such as Luke 1:28, where Mary is greeted as "full of grace," and Revelation 12, which describes a woman clothed with the sun, have been seen as supportive of this belief.

2. Historical Development:

- The belief in the Assumption has been part of Christian tradition since the early centuries of the Church. It was formally declared a dogma by Pope Pius XII in 1950 in the apostolic constitution **Munificentissimus Deus**.

3. Spiritual Significance:

- The Assumption of Mary highlights the hope and promise of resurrection for all Christians. It serves as a reminder of the dignity and destiny that await all faithful followers of Christ.

4. Celebrations and Traditions:

- Around the world, the Assumption is celebrated with special masses, processions, and prayers. It is a day to honor Mary's role in salvation history and to seek her intercession.

5. Mary as a Model of Faith:

- Mary's Assumption into heaven is a testament to her unwavering faith and obedience to God's will. It encourages believers to live a life of holiness and dedication to God's plans.

Strength in Weakness

Dear brothers and sisters in Christ, today we will reflect on the theme *"Strength in Weakness"*. In our journey of faith, we often face situations that make us feel weak and powerless. However, it is in our weakness that God shows His perfect strength.

Scripture Reflection

In 2 Corinthians 12:9, Apostle Paul says, "But He said to me, 'My grace is sufficient for you, for my power is made perfect in weakness.'" This verse reminds us that in every weakness and challenge we face, God's grace is enough to sustain us. God uses our weakness to show His strength and to remind us that we are not alone in our struggles.

Stories of Saints

We can see another example of strength in weakness in the life of Saint Paul himself. Despite facing many sufferings and challenges, he remained faithful to serving God. His spiritual strength came from acknowledging his own weakness and fully surrendering to God's power. This is also seen in the lives of other saints who found strength in their faith amid physical and spiritual weakness.

In the Legion of Mary Handbook, we find inspiration about strength in weakness in Chapter 33: "Catena Legionis". Here, we are reminded that our daily prayers, including the Magnificat, are a source of invaluable strength. Mary, even in difficult and uncertain situations, continued to glorify God and entrust everything into His hands. By following Mary's example, we too can find strength in prayer and faith, even in our weakest moments.

Brothers and sisters, let us remember that our weakness is not a barrier to victory in Christ. Instead, it is an opportunity for us to experience God's real strength in our lives. By relying on His grace and following the example of Mary and the saints, we can walk firmly in faith, knowing that in our weakness, God's power is made perfect.

Let us pray that God always gives us strength and courage to face every challenge with strong faith and hope.

Amen

Legionary Q & A

Part I: * Dual Membership *

I - Can a Legionary be a member of the Society of St. Vincent de Paul?

A - Yes. There is no bar on a Legionary being a member of another Catholic organisation such as the Society of St Vincent de Paul.

The only area in which difficulty might arise is if you are assigned by both organisations to visit the same people. If this were likely to happen, then it would be best for you to opt for either one or the other of the organisations. If you were visiting the same person one time as a Legionary and at another time as a member of the St. Vincent de Paul, then the person being visited would not be able to understand or distinguish between your roles. A Legionary cannot give material relief.

However, if you explained this to the St. Vincent de Paul, they would be able to arrange for you to visit people where you would not be visiting as a Legionary. Also, you could mention the situation to the Presidium President to ensure that you do not visit where you have already visited for Vinnies. This would ensure that a clash does not arise.

“In Loving Memory of Peter Gale.”

We recently gathered in solemn remembrance for the funeral of Peter Gale, a beloved member of our Legion of Mary community, held on Friday, 12th July at St Canice’s Church, Katoomba. The ceremony began with the Rosary and Legion prayers at 10:00 AM, reflecting our collective faith and support for the bereaved family during this difficult time.

The Funeral Mass commenced at 10:30 AM, led by our devoted clergy, where many Legionnaires joined in prayer and commemoration of Peter’s life and contributions. This was followed by the Angelus bell at midday, marking our farewell as the cortège proceeded to Katoomba Cemetery.

The gathering concluded with a wake in St Canice’s Parish Hall, where family, friends, and Legion members shared memories and comforted each other. We extend our heartfelt condolences to Peter’s family, especially to his daughter, Sr. Mary Gale , who has been a steadfast member of our Legion. The community's presence, prayers, and the sympathy card shared are tokens of our collective support and remembrance.

Peter's spirit and contributions to our Legion Of Mary community will not be forgotten. We pray for his peaceful repose and for strength and comfort for his loved ones during this time of mourning.

A Warm Welcome and Faithful Gathering:

***Senatus of Sydney's Visit to Our Lady Of Grace Curia in Murwillumbah
By Jojo (Josefina Delavega) and Larma (Larma Cachuela) On June 2024.***

Last weekend, Sr. Larma and I were graciously received by Sr. Lesley Dowling at Gold Coast Airport, who promptly escorted us to the Curia meeting at St. Anthony Parish in Kingscliff. Despite the lengthy journey, the warmth of the welcome from the seven devoted Legionaries present made every mile worth it. We were introduced to the curia officers: Sr. Philomena Zambelli, the enthusiastic President; Sr. Evelyn Cook, the dedicated Vice President; and the versatile Sr. Lesley Dowling, who not only welcomed us but also served as Treasurer and, in the absence of the Secretary, managed the minutes.

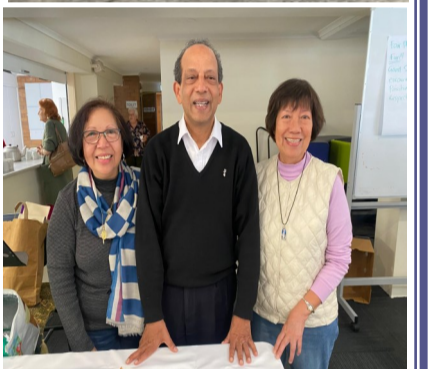

The meeting represented three Praesidia, all brought to life by the stories and commitment of members mostly in their senior years, with ages ranging from the 70s to the 90s. Sr. Carmel, from Byron Bay, shared her experiences and sought guidance on continuing her valuable contributions. Their deep love for the Legion and Our Lady was evident, creating a vibrant atmosphere of dedication and faith, supported by Fr. Rego, a Marist priest who reciprocates their strong support.

The day continued with a smooth meeting and a lovely afternoon tea served by our hosts. Sr. Lesley then invited us to her 17th-floor apartment overlooking the vast ocean, where we were welcomed by her husband, Chris. Our discussions delved deep into our Catholic faith and the Church, enriching our stay significantly.

The spiritual enrichment continued into the next day with a Retreat Day. We began with the recitation of the Rosary and Legion prayers, followed by a Mass celebrated by Fr. Rego, warmly attended by parishioners. After the Mass, approximately 50-60 attendees gathered in the Church Hall for insightful talks by Fr. Rego and the opportunity for confession. A communal lunch, brought by attendees, fostered fellowship, and the retreat concluded at 2:30 PM with a joint effort to tidy the hall.

Our visit concluded on Sunday, 30th June 2024, with a serene Mass at the cozy St. Camillus Church, celebrated by Fr. Rego. Before our departure at 3:45 PM, we ensured a visit to Sr. Kay Young, sharing stories and prayers, highlighting the deep connections within our community.

The journey culminated with a lunch at the airport, where Sr. Lesley and I reflected on the impactful work of the Legion and the profound love for Our Mother Mary that motivates us all. Departing with hearts full of joy and encouragement, we are reminded of the profound impact of our shared faith and the ongoing mission of the Legion.

Concilium News: Highlights from the International Meeting in Rome

On June 13, 2024, the Legion of Mary attended an international meeting for lay associations in Rome with Pope Francis. President Declan Lawlor and Secretary Miriam McKane represented the Legion. They met Cardinal Farrell and were honoured to read prayers in St. Peter's Basilica.

Pope Francis spoke about Synodality, emphasizing three virtues: thinking as God thinks, avoiding exclusiveness, and achieving humility. He gave his blessing and met with Declan, who presented him with a Legion handbook in Spanish.

The meeting highlighted the importance of lay associations in the Church and stressed the need for dialogue and personal contact in evangelization. After the conference, Declan and Miriam visited St. Peter's crypt and prayed at the statue of St. Louis De Montfort.

The event was highly valued, and we continue to serve God under Mary's banner.

Recruitment of New Members (Ch 33.9)

Part of the duty of every legionary is to recruit new members. The Handbook emphasizes that if the Legion of Mary is a blessing to oneself, it should also be shared with others. Bringing new members into the Legion allows them to experience the same spiritual benefits and upliftment that current members enjoy.

Legionaries are encouraged to recruit new members because the Legion helps people grow in love and service to Mary, which is considered the greatest blessing after Jesus. This growth in devotion to Mary enriches one's spiritual life, as God has made Mary central to the supernatural life, in connection with Christ.

The Handbook highlights that many people yearn for a deeper spiritual path but may never join unless they are approached and encouraged. By inviting others, legionaries can help them discover the Legion's blessings and, in turn, these new members can positively impact others.

The passage concludes with a poem by Bl. John Oxenham, which reflects the choices every person faces in their spiritual journey, encouraging them to choose the higher path.

Simplified Explanation:

Every member of the Legion of Mary has a duty to invite new people to join. If the Legion has been a blessing for you, you should want others to experience the same. The Legion helps people grow closer to Mary, which is a great blessing.

Many people want to find a deeper spiritual life but might not join unless they are invited. By inviting them, you can help them find the blessings of the Legion, and they can then help others too.

There is a poem that says everyone has a choice to follow a higher or lower path in life. We should help others choose the higher path by inviting them to join the Legion of Mary.

Tips for Recruiting New Members

1. Identify Potential Members:

Look for people around you who show interest in spiritual activities or church service. Invite them to learn more about the Legion of Mary and how they can contribute.

2. Host Open Events:

Organize open events like seminars, retreats, or meetings that are open to the public. Use these opportunities to introduce the Legion of Mary and its mission.

3. Share Testimonials:

Share personal experiences from Legion of Mary members about the benefits and satisfaction they feel. Personal stories can inspire others to join.

4. Use Social Media:

Use social media platforms to promote the activities and mission of the Legion of Mary. Share photos, videos, and inspiring stories that can attract new members.

5. Personal Invitations:

Nothing is more effective than a personal invitation. Invite friends, family, or coworkers to attend a Legion of Mary meeting or event. Explain the benefits of joining and how they can contribute.

6. Collaborate with the Church:

Work with the parish or church community to spread information about the Legion of Mary. Seek support from the local pastor or church leaders to promote your activities.

7. Create Promotional Materials:

Prepare brochures, pamphlets, or other promotional materials that explain the Legion of Mary. Distribute these materials in church, community events, or other public places.

8. Be a Good Example:

Show your commitment and enthusiasm in serving. When others see your dedication, they will be more interested in learning more and possibly joining.

Reflecting on Our Journey with Mary

Dear Br And Sr ,

During our recent retreat, we embarked on a spiritual journey guided by the life of the Blessed Virgin Mary, as explored in Edward Sri's book "Mary: A Biblical Walk with the Blessed Mother." We delved deep into the essence of Mary's faith and her profound commitment to God's will, illuminating how her life exemplifies walking by faith, not by sight.

Highlights from Our Discussions:

Mary's Humble Beginnings and Faithful Response: From a modest village, Mary accepted her role in God's plan with unparalleled faith. Her response to the Angel Gabriel, "I am the handmaid of the Lord. May it be done to me according to your word," reflects her readiness to embrace God's call despite the uncertainties ahead.

The Annunciation: This pivotal moment revealed Mary's profound role as the mother of the Messiah. Her unwavering trust in God's plan, despite not knowing all the details, encourages us all to live a life of faith and obedience.

Key Events in Mary's Life: We reflected on the Presentation of Jesus in the Temple and the profound prophecies revealed by Simeon, foretelling the monumental impact of Jesus' life and the deep sorrows Mary would endure.

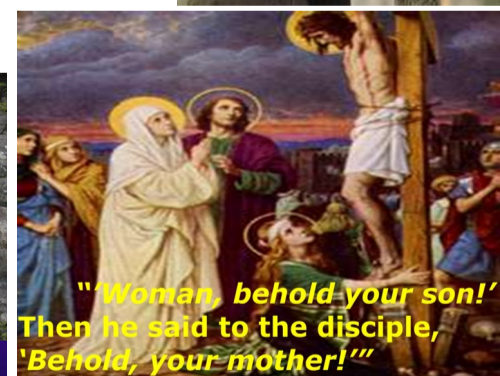

The Seven Sorrows of Mary: These poignant moments—from the prophecy of Simeon to the burial of Jesus—underscore the depth of Mary's emotional and spiritual journey, reminding us of the strength found in steadfast faith even in the face of immense suffering.

Mary at the Cross: As a model of fidelity, Mary stood by Jesus during His crucifixion, embodying the ultimate example of faithfulness. Her spiritual motherhood extends to all of us, as echoed in Jesus' words, "Woman, behold your son" and "Behold your mother."

This retreat has not only deepened our understanding of Mary's extraordinary faith but also challenged us to trust more fully in God's plan, especially during times of uncertainty and trial. Let Mary's journey inspire us to walk firmly in faith, embracing each day with courage and trust, knowing that we are never alone in our trials.

We invite you to carry the lessons learned from Mary's life into your everyday experiences, letting her faith guide your steps and decisions.

With blessings and gratitude,

Quote from a Church Leader:

“With her whole heart, Mary said ‘yes’ to God's plan, and she was assumed into heaven as a sign of the glory that awaits us all.” - Pope Francis

Sharing from Br. Jan Augustinus at the Senatus Retreat Saturday, 6 July 2024.

Our Lady Undoer of Knots: A Devotion with Deep Roots

Br. Jan is a member of the Legion of Mary Praesidium named "Our Lady Undoer of Knots." During our retreat, he shared a moving story about the history and significance of this devotion.

History of the devotion of Mary, Undoer of Knots begins in Germany 1615.

A young couple, married only for 3 years, were having serious marital problems & considering getting divorced, visited an Austrian Jesuit Priest, Jakob Rem, for guidance and prayer.

The wife gave the Priest a ribbon that was used to tie the couple together during their Wedding ceremony

The ribbon had many knots that she made every time they had quarrels.

Father Jakob, prayed for the couple in front of Our Lady of Snow while holding the ribbon in his hands.

He begs Mary to undo the knots of the couple's marital problems.

All of a sudden, the knots become undone miraculously one after the other until the ribbon is completely smooth

The couple reconciled & lived a happy marriage until the end of their lives. In 1700, Father Jerome Ambrose von Langemantel, grandson of the couple, ordered a painting to be made in memory of that miracle.

And the painting is called 'Mary the Undoer of Knots'.

The Name is also related to a Statement made by St. Irenaeus who is considered as one of the first Mariologists stated that "It is the knot of Eve's disobedience was loosened by the obedience of Mary For what the virgin Eve had bound fast through Unbelief, the virgin Mary set free (undo) through Faith"

Our Lady of La Salette, France

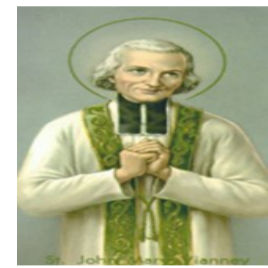

On September 19, 1846, Mother Mary appeared to Maximin Giraud (11) & Melanie Calvat (14) to give a message of Reconciliation of the World to God & pray the Rosary everyday. She was crying when giving the message

In the apparition, Mother Mary was wearing necklace of Crucifix with a Nail Pincer on 1 side & a Hammer on the other. She said "Every time you sin, the Hammer would hit the Nail harder into His hands. And when you please God, the Pincer would pull the Nail from His hands"

St. John Mary Vianney, the Patron Saint of all Parish Priests was influenced by the La Salette apparition. When he celebrated the Holy Mass, he always pointed to the Tabernacle & said "He is there".

And St. John Paul II stated "La Salette is a message of Hope, for our Hope is Nourished by the intercession of Mary who is the Mother of Mankind".

Mother of Mankind?... But not everyone is Catholic, especially the Christian's main resistance, Islam

Rev.12:1

A great sign appeared in the sky
A woman clothed with the Sun
With the Moon under her feet

Why Moon,
not Earth ?
Because it's the
Symbol of Islam

If the symbol of Islam is under her feet, could that be the prophesy that one day our Heavenly Queen would convert Islam into Christianity ?

As her message for us to pray Rosary every day,
our brothers & sisters of Muhammad may truly one day become our brothers & sisters in Christ.

After sharing this story, Br. Jan A closed with the song "Mary Did You Know" with a beautiful and melodious voice. May the Legionaries be inspired by Br. Jan's story and song.
